## Gin Selection (50ml)

<b>Plymouth 41.2%</b>	5.9	<b>Monkey 47 47%</b>	7.25
Remaining loyal to the original recipe created in 1793, distilled from a blend of seven botanicals. Look out for the hint of coriander and cardamom and wait for the sweet bite of juniper and citrus		Predictably complex, this is a robust and powerful gin with plenty of spice, fruit and herb flavours. It's very well structured, and difficult to unpick but a citrus fresh start segues into pine and wood notes for a drying finish.	
<b>Hayman's London dry gin 41.2%</b>	5.9	<b>Boudier saffron 40%</b>	7.25
A perfectly balanced marriage of crisp juniper and fresh citrus.		On the palate the juniper and coriander stand out, the Saffron comes later. A creamy, buttery character with an obvious, but not overwhelming spice to it.	
<b>Opihr spiced 40%</b>	5.9	<b>Jinzu 41.3%</b>	7.5
Opihr Oriental Spiced Gin has bursts of Citrus balanced with the rich, earthy aromas and a soft spice.		Gin made with juniper, coriander and angelica, macerated before the blossom and yuzu are added. Fleshy citrus jumps to the fore on the nose, with the sake bringing an underlying sweetness. The cherry blossom carries a distinct floral note.	
<b>Bloom 40%</b>	5.9	<b>Ortodoxo Columbian 43%</b>	7.5
Using slightly different botanicals as inspiration, Bloom contains honeysuckle, chamomile and even pomelo fruit to provide a little sweetness to the Gin		Gin is aged for up to 8 months in used Dictator rum barrels. Flavourful and smooth, along with the astringency, sweet and sour of classic gin	
<b>Bombay Sapphire 40%</b>	6.45	<b>Victoria Rhubarb 40%</b>	7.5
Unique blend of Mediterranean lemon peel, juniper berries, almonds and orris, balanced by a heady mix of coriander, liquorice, angelica and cassia bark and spiced with cubeb berries and grains of paradise.		The rhubarb juice is extracted using a traditional fruit press and blended with our Harrington Dry Gin to produce an alluring pink gin that is voluptuous on the palate with a sweet and tangy royal rhubarb explosion	
<b>Tanqueray 40%</b>	6.45	<b>Mare 43%</b>	8
Tanqueray is Gin stripped down to its most naked form. Distilled four times over, only four botanicals; juniper, angelica, coriander and liquorice are added to the spirit.		Gin Mare smells of Mediterranean sea breezes. It has clear scents of its woody herbs and citrus, with a subtle sweetness. It tastes spicy at first then mellows, with an exponentially long, soft finish when the olives really come through.	
<b>Hayman's Old Tom gin 41.4%</b>	6.45	<b>Select your mixer</b>	2
Rich, round and wonderfully smooth, with vibrant citrus and a sherbet-like sweetness.		Fever Tree Lemon Tonic	
<b>Hendricks 41.4%</b>	7.25	Fever Tree Light Tonic Water	
No other gin tastes like Hendrick's because no other gin is made like Hendrick's. Gin infused with the remarkable Bulgarian Rosa Damascena and specially selected cucumbers from the finest producers.		Fever Tree Mediterranean Tonic	
		Fever Tree Tonic Water
