IoD ISLE OF MAN

Empowering emerging leaders to grow, connect, and lead with purpose

Emerging Leaders empowers the next generation with the skills, connections and confidence to step forward in their careers and help shape the future. Through professional development, meaningful networks and an inclusive community, we help future leaders embrace new opportunities and shape a vibrant and resilient island economy.

Join the movement and be part of the next generation driving change

Events

Learn, share experiences, and connect with fellow professionals virtually and in-person at events hosted at IoD hubs across the Isle of Man and IoD UK network.

Training

Advance your knowledge and skills with professional development training. Courses range from one-day sessions to full qualifications.

Influence

Be heard. The IoD is its members' voice to government, influencing the debate, shaping the agenda and advocating change through surveys and commissions.

Insight

Get information to help you manage and grow your business, with resources, guides and factsheets written by the IoD's research team, based on real business queries.

Workspace

Make use of the boardroom at our hub or take advantage of the spacious lounge areas.
